2025 Booklist Information

Dear Secondary Parents, Carers and Students,

Attached to this notice are the 2025 booklists for Secondary students. Also attached is a “**How to Order**” flyer from **Campion**, our bookseller, giving instructions on how to place your order. Booklists will also be available online at **Campion**: [Campion Online Ordering Portal](#) – simply follow the instructions on the “How to Order” flyer and you will be directed to the booklist for your student. The Resource List Code for St Andrews Christian College is **44JP**.

Students in years 8, 9 and VCE (in 2025) have received their subject allocations via their school email. Students in year 10 in 2025 will receive their subject allocations via their school email in the first week of Term 4. Students also receive a copy of the blocking sheet for 2025 with their subject allocations. There is opportunity for students to make changes to their program if they wish to do so, up to, and during the HeadStart Program. **The final date for students to make changes to their 2025 Academic Program is Friday 7th February, 2025.**

This year, the **HeadStart Program will run from Tuesday 26th November – 6th December**. On Monday 25th November, a separate program will run, focused on feedback for the Semester 2 examinations.

In order for students to have their textbooks in time for the HeadStart Program, they will need to submit their orders to **Campion by Friday 18th October 2024** for home delivery in the week ending Friday 15th November 2024. We encourage students to order the texts in time for HeadStart, but if this is not possible, the College will provide copies of all text pages students may need for the HeadStart Program.

There are a few reminders for Booklists:

- Students are required to purchase all items relevant to their year level and subject choices.
- We strongly recommend you use our booklist supplier, **Campion Education** to ensure that the correct items are purchased. You will find all the relevant information for ordering on the “How to Order” flyer.
- If you have a child(ren) in Prep to Year 6 (2025), their booklist materials will be supplied internally and charged to your Student Fee Account. These fees will be advised when the books are to be purchased.
- Information specifically for Year 7 (2025) booklist ordering will be given out during the 2025 Year 7 Transition Program.
- The 2025 booklists will be published on our College Website and on the HUB.

- For some subjects, textbooks/subscriptions required will be supplied by the school and charged to your Student Fee Account. This is indicated on the subject booklist.
- If you wish to source second-hand texts or sell current editions, we recommend:
 - Sustainable Bookshop: <https://www.sustainableschoolshop.com.au>
 - Lilydale Books: <https://www.lilydalebooks.com.au>
 - I Love Books: <https://ilovebooks.com.au>

Thank you for your understanding with this process. I greatly look forward to the 2025 school year at St Andrews.

If you have any questions about booklists, please email Esther Loke or Shu-Ling Loong at secondary reception (secondary@standrews.vic.edu.au) or call the school on 8847 8300.

Kind regards,

Natalie Farmer
