Dear Friends,

Building on the foundation of Christ!

We praise God for the 620 enrolments in the College this term!

As we continually grow and improve, we never want to lose sight of why we exist as a school. It is the 'why' that makes us distinct and special and this 'why' directs what we do and how we operate.

St Andrews Christian College exists for the purpose of building disciples for Christ; helping our students to know God and their purpose in His kingdom. We do that by providing an excellent education grounded in Christ. An education that prepares students to serve and thrive in the way God intends for each unique and individual student.

Building for the future

We will reach full enrolment capacity in the next couple of years and are seeking God as to how He wants us to continue to grow. We are inundated with enrolment enquiries and have hundreds of students on waiting lists. *'Unless the Lord builds the house those who build it labor in vain'*. Psalm 127:1

Opening of the Performing Arts Building

Last week we officially opened our new Performing Arts Building, where we dedicated all the teaching and learning to honour God and bless all staff and students. We thank God for this fantastic new addition to our campus.

was such a privilege to share and be a blessing to our fellow educators in the Solomon's.

Thanks to all those who donated reading glasses to take to people who desperately need glasses to read God's Word. Here we are pictured with many of the glasses generously given by our community. These glasses will be delivered to the village community on Malaita in the next month.

The building of our new Middle School and Science block has commenced!

The grounds are being prepared to build our three storey building which will open in Semester 2 2019.

So Christ himself gave the apostles, the prophets, the evangelists, the pastors and teachers, to equip his people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.

Ephesians 4:11-13

Blessings to you all as we build each other up in Christ.

Building up others in Christ and Christian Education

Mr Dan Lee and I travelled to the Solomon Islands with some other educators from Australia to train school leaders in Christian Education. The conference was held at the Solomon Islands National University during the school holidays. It

News

Who Wants To Be The Next Socceros Coach?

Are you the next superstar soccer coach? Or are you keen to know the ins-and-outs of your child's soccer games?

PE Teacher Andrew Farmer is holding soccer coaching and referee courses in November and early December. This opportunity is open for senior students and parents, please note: parents will be required to hold a Working with Children's Check. Students who go on to coach/referee

outside of the school will be required to hold a Working with Children's Check.

Level 4 referee course normally costs \$125, but this is a free opportunity!

This will enable the College to have parents and students qualified and knowledgeable about the game, and encouraging more students to enrol in our programs and clubs.

If you would like to sign up or require further information please email Andrew Farmer (afarmer@standrews.vic.edu.au).

Chess Mastery Day

On Tuesday 26th June we had a Chess Mastery day with Julia Ryjanova, Chess master. She spent the day running workshops and a tournament with around 40 students. This was a valuable learning time for students who got to hone their chess skills with a talented Chess master.

House Community Day

On Friday 22nd June Year 5-8 students participated in House Community Day. With everyone decked out in their house colours there was a lot going on!

The Middle School lipsync and dance battle featured 20 groups performing. A special mention to Chavella, Andrea and Reese in Year 8 for their outstanding efforts to win the lipsync battle. Congratulations to Parkes who took out the winning title!

The final amount raised for the school mission trips was over \$800.

2018 First Lego League

On Sunday 5th August, a few St Andrews Christian College students, Annabelle Tay, Deanna Hu, Aidan Hu, Daniel Wong and Max Demunck participated in the kick-off meeting of the 2018 First Lego League at Rockwell Automation in Bayswater.

The theme of this year's First Lego League is 'Into Orbit'. Participants aged from 9-16 worked in teams to design a robot out of Lego to tackle 15 challenges related to space travel. For more information visit www.firstlegoleague.org

Olivia Tay

Performing Arts Building Opening

After only five weeks of work on-site, the new Performing Arts Building officially opened on Wednesday 1 August.

Staff and students celebrated to thank God for His provision of the new facility.

We were treated to performances from Years 1, 2 and 3 students as they sang 'Let It Shine', and the Middle School worship group enchanted us with the song 'Cornerstone'.

Students and staff gathered together to celebrate all that we have been blessed with and our gifts and talents which we can use to glorify God.

Jonathan Edwards (Performing Arts Captain) blessed us by sharing Psalm 150, and prayers were offered by Ian Neo (Music Captain) and Mrs Karen Elbourne.

A bespoke trumpet fanfare for the occasion was held and Mrs Wansborough cut the ribbon!

We're sure the Performing Arts staff will enjoy being located on the main campus area and we look forward to seeing all the upcoming activities.

Sod Turning

Can you spot Mrs Wansborough? We held a small sod-turning ceremony to mark the new Middle School and Science building site.

Calendar

Important Coming Events for Term 3 2018:

LOOKING AHEAD – Term 3

- Tuesday 14th August – CSEN Master Minds @ Belgrave Heights Christian School
- Wednesday 15th August – Year 7/8 CSEN Sport
- Wednesday 15th August – Year 5/6 SSV Sport – Basketball
- Friday 17th August – Hot Mikado Opening Night
- Saturday 18th August – Hot Mikado Matinee and Evening Show
- Wednesday 22nd August – Year 9/10 CSEN Sport
- Thursday 23rd August – St Andrews Christian College Board Meeting
- Friday 24th August – Year 5 – 12 St Andrews Christian College Athletics Carnival
- **Saturday 25th August - Working Bee #3 - Rembrandts Cleanout**
- Monday 27th – Friday 31st August – Year 9 Ski Camp – Mt Hotham
- Wednesday 29th August – Year 7/8 CSEN Sport
- Friday 31st August – PFA Fathers’ Day Stall
- Friday 31st August – SSV Summer Sport
- Wednesday 5th September – Year 9/10 CSEN Sport
- Monday 10th September – CSEN Primary Athletics Carnival
- Monday 10th September – Ensemble Concert
- Tuesday 11th September – CSEN Secondary Athletics Carnival
- Wednesday 12th September – Year 7/8 CSEN Sport
- Friday 14th September – Ping-Pong-a-Thon
- Wednesday 19th September – Year 9/10 CSEN Sport

- Thursday 20th September – St Andrews Christian College Board Meeting
- Friday 21st September – **LAST DAY OF TERM 3**

Term Dates

TERM DATES FOR 2018

Term 3: Monday 23rd July – Friday 21st September

Term 4: Mon 8th October – Tuesday 11th December

Parents and Friends

Victorian Parent Council Workshop/Seminar

The VPC would like to invite you to an exclusive opportunity to meet and work with international parent engagement expert Professor Debbie Pushor in a personal workshop setting. This opportunity has strictly limited places (max. 30 attendees).

Debbie will be joined by some of our Australian parent engagement practitioners and additional speakers and panellists: Jacqui Van de Velde (Education Consultant), Caz Bosch (Chair, Parents Australia Inc.), Catherine Meynell-James (Stakeholder Manager, Department of Education & Training), Aynur Simsirel (Principal Advisor, Independent Schools Victoria) and Rachel Saliba (Executive Officer, Catholic School Parents Victoria).

Icy Pole Friday

Every Friday lunchtime.

We are looking for parent volunteers for 2018 who can commit to assisting in Term 4. Please contact Andrew Musgrove via pfa@standrews.vic.edu.au

Andrew O'Brien

PFA President

This "one-day parent community engagement experience" is an opportunity not to be missed.

[For more information click here.](#)

NOTE: All attendees need to bring a current 'Working with Children Check' and show this on arrival at registration, as the event is held during school hours at the Brighton Grammar School premises.

Entertainment Books

The 2018/19 Entertainment Books are now available for purchase from the school office. The books are crammed with great value and a portion of each sale goes to the PFA. You can also purchase a [digital membership here](#)

School banking

School banking takes place on each Tuesday of the School Term.

2nd Hand Uniform Shop

The 2nd Hand Uniform shop will open from 8:30am - 9:30am each Wednesday during the Term.

The 2nd Hand Uniform Shop is located in Rembrandts.

Parent Participation Hours

To support various school events and activities during the year we strongly encourage families to volunteer their time.

Notices will be sent out for activities you can help with, such as school carnivals, covering library books, ice pole Fridays, 2nd Hand Uniform Shop, PFA events, classroom help and working bees.

Parents are required to record the hours they have completed in the Parent Hours Book which is kept in the College office. You will be charged a Parent Participation fee of \$250 at the commencement of each year and will be credited at the end of the semester for any work done. You will be credited at a rate of \$25 per hour of work completed, up to a maximum of \$250 for the year. The time requirement for each family is ten hours per year.

Term 3 2018 PFA Events

- Friday 31st August - Fathers' Day Stall
- Friday 21st September - Fun Run - Period 5 and 6 end of day
- Entertainment Books Fundraiser

Senior School

Year 9 at Arcare

Plain English Speaking Award 2018 State Finals

The Plain English Speaking Award (PESA) is a public speaking program hosted by the Victorian Curriculum and Assessment Authority (VCAA) and supported by both the Australia-Britain Society (Victoria) and the English Speaking Union (Victorian Branch).

The award is aimed at secondary students and encourages the use of clear and effective spoken English. Attending state finals was an excellent opportunity for our Year 11 students to see their peers demonstrate public speaking, speechwriting and research skills. The day was extremely beneficial and our students learned a

great deal. They are now looking forward to participating in this prestigious public speaking event next year.

Irena Yevlahova

Senior School Teacher

It was an amazing experience to watch and learn from the talented state finalists, to see what a good speech is and how we could implicate the skills and techniques used by the speakers. Being in the audience encouraged me to open my mind to public speaking and made me aware of just how valuable of a skill it is to have. I would absolutely want to go next year, to compete or even just to listen.

Danica Dreyer

I was very inspired by the brilliant and sophisticated way that other students around Victoria, who are my age, presented their views and ideas on important issues that affect our lives. Their speeches were both challenging and encouraging. I found Caitlin Grieve's (Ballarat Grammar) speech particularly interesting because she spoke about two things that are very important. Firstly, the future, and secondly,

FOOD! A 3D printed burger topped with bugs, anyone? Thank you so much for organising such a special day for us and providing me with the opportunity to come along to the Plain English Speaking Award finals. **Jerry Cheng**

Going to the Treasury Theatre to watch the state finals of a persuasive oral English competition was definitely an invaluable experience for me that I enjoyed greatly. Five Year 11s, including myself, got the privilege of going to watch the state finals where competitors performed a speech previously practiced, followed by an impromptu presentation. I gained new insight on what makes a good public speaker and the small details that make up an impressive performance. These speeches inspired us and we are now planning to initiate an event based around public speaking. This may take the form of a competition from Years 7-10 where winners will receive prizes, with the ultimate goal of showing other students that public speaking is not something to be afraid of, but something to enjoy. Thank you again to Mrs Yevlahova for organising this outing for us! **Chloe Chandraraj**

Senior School Expo

The Senior School Expo was a fantastic night showcasing the outstanding work our teachers do, as well as the opportunity to share what is on offer for Senior School students in 2019. Students and parents were treated to an evening of exciting displays and informative seminars related about what's going on in Senior School. It was pleasing to see students and parents come to the evening with a view to inquire about subjects, and the how-tos of VCE. Having a

student go through VCE can be a confusing, difficult, and sometimes a stressful experience. Evenings like the Senior School Expo goes a long way to answer questions and provide clarity. If you have any questions about subjects, or the structure of VCE, please don't hesitate to contact me or Natalie Farmer (VCE Coordinator).

Thanks to all who attended the evening!

You can access the Senior School Information Booklet for 2019 here:

Year 9 Shark Tank Success!

Over the last few weeks the Year 9 students have been working on a major project inspired by social enterprise Thankyou surrounding the theme of 'What is your Why?'

Students participated in a Shark Tank initiative to get them thinking outside the box as to how some types of social enterprises are able to run, but within this create a mindset of making a change or contributing to a social cause they are passionate about!

Friday 29th June was presentation day in front of the Sharks Mr Pardo, Mr Presant and Miss Holland). The students showed so much preparation and effort, leading the sharks to get in many bidding wars - I am so impressed with our wonderful Year 9 students and the initiative they have shown!

Cailyn Holland
Year 9 Teacher

Theatre Studies Students See Pygmalion

On June 14th the Year 10 and 11 Theatre Studies students attended The Australian Shakespeare Company's production of 'Pygmalion' by George Bernard Shaw. This was compulsory viewing for the students, as they will now analyse the acting and theatrical elements within the production as part of their assessment. It was a bit of a wet and wild evening, and you can see from the photo, but any trip to the theatre is a good night out for these budding young dramatists!

Katie Brown

Drama Teacher

People and Their Life Stories: 9Y English and Community Service Project

In Term 2, 9Y students had a unique opportunity to visit Arcare Aged Care as part of English curriculum and class community service. This project tied in with St Andrews Christian College 2018 theme 'Love God, Love Others' and Year 9 English Thematic Unit 'People and Their Life Stories.'

From April to June, one English lesson was held at Arcare every week. Year 9 students were paired with Arcare residents to interview, record and discuss residents' life-stories. These weekly meetings resulted in the co-writing of narratives. Writing someone's life-story requires respect, kindness and gratitude and our students were honoured and humbled by this experience.

There are very few opportunities where young and older people come together to talk about the past. Participation in the 'life-story project'

provided the opportunity for the students to develop a sense of historical belonging and respectful understanding of older people who have contributed so much to this country and created conditions for all of us to flourish and have a happy life today. Our students have developed an awareness of cross-generational links as a foundation for building one's sense of responsibility for this country. This experience was unique and rewarding for all.

The presentation of memoirs to Arcare residents marked the culmination of months of hard work. It was a celebration of amazing lives of Arcare residents and the incredible standard of work that St Andrews Year 9 students have produced when they truly served others in the community.

Irena Yevlahova

Year 9Y English Teacher

University Of Melbourne Mathematics Expo

On Wednesday 27th June, some VCE students participated in two maths challenges at Melbourne Uni comprised of a short problem solving competition and the MIT Challenge. The day started off with two speakers who talked about how maths can be used in other areas such as genetics and geology. After the challenges, a few graduates spoke and informed us on where further studies of maths could lead us in the future.

A team of four students participated in the MIT challenge which comprised of a problem solving task called 'The Jolly Baker'. Through the use of excel and various mathematical methods, the St Andrews team solved the problem but sadly did

not finish in the top 5 teams. Overall, this was a fun but challenging experience that exposed us to various methods and techniques that could be used to solve many problems.

Those who didn't participate in the MIT challenge completed the short problem solving competition. It consisted of four rounds of questions, each with varying difficulty and appropriate marks allocated. This challenge was fun and forced us to work outside our comfort zones, it also meant we had to work together as a team to better solve the questions.

This was a day which made us think outside our comfort zones and was a fun challenge. Overall it was a really fun day and we would definitely recommend it to any students who are interested in knowing where maths can take you in the future.

Danica Dreyer and Nathaniel Foo
Year 11 Students

Careers News

University Open Days are just around the corner and in the latest Careers Newsletter there is information provided about Open Days and how to get the most out of this day. Open Day is an awesome opportunity to check out university campuses and all the things students could be doing while studying there. Many universities have established strong partnerships and industry connections in Australia and overseas and offer global opportunities to the students.

Please find attached the recent St Andrews Careers Newsletter.

Year 7 NGV Mona Visit

Year 6 Market Day

Year 6 students recently took part of the Market Day, and despite the wild weather, did an excellent job!

The Market Day is teaching students about business components in Term 1 and Term 2,

where they are tasked with researching products and consumer needs through surveys. The groups had a variety of ideas to share and did a great job.

Overall \$1863.26 was raised for school mission trips – \$700 more than last year.

Thanks to everyone involved and making this a great day.

Year 7 NGV Mona Visit

Stories Of Impact

At St Andrews, our staff are passionate about educating to impact young lives for Christ. We love hearing stories about how God is actively at work here in Middle School through our staff and we would like to share with you the experience of one of our Year 8 students:

Earlier this year, my grandfather passed away. It was a first time thing for me, I had never

experienced a time where someone that close to me passed away. My mother rushed to Indonesia to help my grandparents roughly about two weeks before my grandpa died. Throughout the first week, I was challenged to balance my time between my school work and a lot of the housework that needed to be done at home. It was a real struggle! I had a Maths test to study for and Geography assignment due the following week. I also went to sleep late every night, feeling stressed and overwhelmed. I prayed every day, praying that God would heal my grandpa and everything would go back to normal.

When my grandfather passed away the second week my father hurried overseas to attend the funeral. My brothers and I were left behind and had to spend three weeks at our cousin's place. It was a real struggle finding time to study for my Maths test and to finish my Geography assignment as I had many after-school activities I had to attend during that week. I knew I wasn't able to complete my Geography assignment on the day it was due. Although I had many close friends helping me along the way, my stress and worries just kept building up! I went up to my homeroom teacher and explained my whole situation to her. She kindly gave me permission to take extra time with my project. It felt like all of my

stresses and worries just drained out of me. She supported and helped me throughout that week. I felt blessed and happy to have a teacher like that.

God had also played a role throughout one of the hardest two weeks of my life. God planned my grandpa's death to happen. Without Him, I wouldn't have also been blessed with my grandpa. Now my grandpa is happy in Heaven! God gave me friends who kept me going for the two weeks and also blessed me with an amazing, supportive and inspiring teacher who was willing to give me more time to finish my assignment.

Because of my teacher, I have developed a stronger relationship with God as I now pray more regularly and have more mercy on my younger brothers. She has really helped and encouraged me throughout the weeks after my grandpa's death. She has also made me more aware of what may happen in the future. John 14:1 says "Do not let your hearts be troubled. You believe in God; believe also in me." This verse in the Bible has helped me through my hard time.

Preps at Werribee Zoo

Prep Excursion To Werribee Zoo

On Friday 3rd August the Prep classes enjoyed a magnificent day at Werribee Open Range Zoo.

The weather was perfect as we wandered past the pride of lions that were relaxing right at the front of the enclosure. The hippos were up-and-about and we saw them going in and out of the water. The gorillas were walking around eating fruit and there was a cheetah sitting right beside the glass of the enclosure. We had an amazing ride on the safari bus that took us up close to the giraffes, zebras, rhinos and antelopes. It was very exciting to have a camel poke his head into the bus to say hello to us.

We enjoyed exploring a habitat enclosure where some wallabies were sunning themselves in the corner. We learnt from our educators about the many different animals in a habitat. We thank God for the wonderful weather and the opportunity to observe some of His amazing

Hot Mikado

Hot Mikado - The 2018 St Andrews Christian College Production

singing, dancing and acting, as well as witnessing the beautiful set designs from our Visual Arts students.

The College production is a wonderful introduction to live theatre for students, and an all-round great community event. We hope to see as many College families as possible supporting our students onstage.

[Buy your tickets to opening night now:](https://tickets.burrinja.org.au)
tickets.burrinja.org.au

St Andrews Christian College is excited to invite you to the 2018 production of "Hot Mikado".

Adults \$25 | Children (under 18 years-old) \$15

Our production will showcase the best of the College's Creative and Performing Arts on Friday 17th and Saturday 18th August. Come along and enjoy talented students from Year 5 to Year 12

Run time: 140 minutes including 20-minute interval.

Please note: Hot Mikado is based upon a Gilbert and Sullivan comedy. Parent

supervision is recommended.

Hot Mikado Overview

Flirting may seem an innocent pastime. But in Titipu, it can be fatal.

That is the underlying threat which creates all of the ridiculous – and uproarious – complications in “Hot Mikado”. It is a wildly staged sendup of the Gilbert and Sullivan operetta, “The Mikado – or, the town of Titipu”.

This modernised version retains the spirit of the original.

Sticking to the absurd plot Gilbert and Sullivan concocted, this production is all about forbidden love, a pending execution and bureaucratic ineptitude), but adds the element of Jazz music.

Filled with colourful sets, songs and dances; this is a production for the whole family. Let the jazz musical with lots of hilarious comedy whisk you away to a small Japanese city with lots of fun and imagination.

If you like your entertainment in a topsy-turvy style, “Hot Mikado” is your hot ticket.

Art

ISV Art Exhibition

Independant Schools Victoria Art Exhibition

Since 2005, the Annual Student Art Exhibition has taken place featuring students' work and providing schools and the wider community to view the diverse ideas and complex approaches.

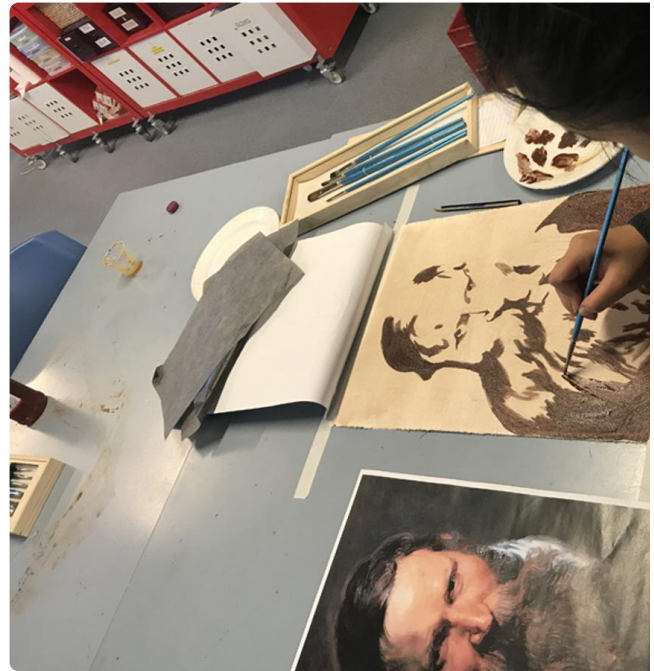

A number of St Andrews Christian College students have their work on display at No. 1 Spring Street (level 2), Melbourne until Thursday 30 August. God has blessed these students with incredible talents and we are delighted by their outstanding efforts.

Still have Parent Hours to complete?

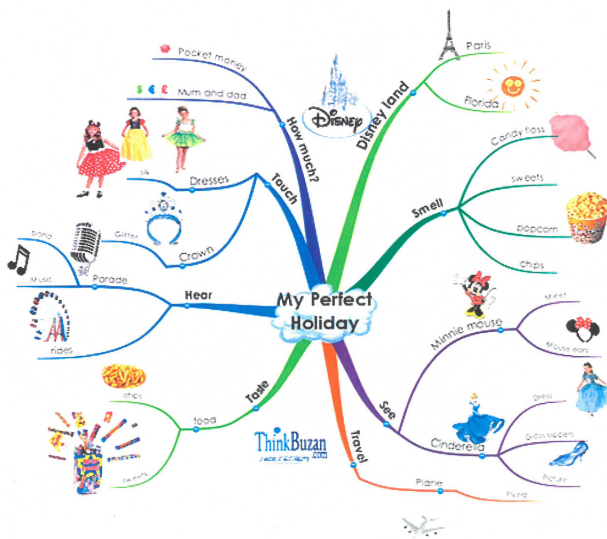

If you still have parent hours to complete, the Library would love to have your help. We need people to shelve books either in the morning or in the afternoon for half an hour. If you are available on Tuesdays, Wednesdays or Thursdays in Term 3 or Term 4, Library staff would love to hear from you. Please speak to Mrs. Wai Peng Heath or email library@standrews.vic.edu.au.

Middle School Library Classes

From: <https://www.biggerplate.com>

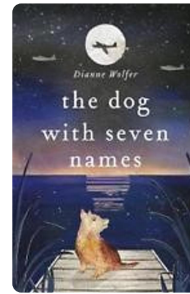

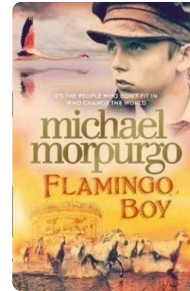

Recently, students in Years 5 and 6 have been looking at improving their research skills. The Year 6 students started the term by looking at bibliographies - what they are and how to use an online resource to create one. Harvard Generator was used to practise referencing a book, an internet site, an online image and a newspaper article. Students will be able to use these skills in their projects for other subjects. In later lessons, Year 6 will be looking at plagiarism and copyright.

The Year 5s have discussed mind mapping and been introduced to a variety of examples before creating their own.

What's new in the Library?

Both of the following are set in World War Two.

The Senior Library also has some books in Chinese for students in Years 7 -12 to borrow. These can be found in the following genres: Family, Historical and Humour.
